

THE CATHOLIC UNIVERSITY OF AMERICA

SCHOOL OF ENGINEERING

2023-2024 Corasaniti Endowed Scholarship Program

-

The **Joseph Corasaniti Endowed Scholarship** is for graduate students pursuing a degree in the School of Engineering who demonstrate both financial need and academic merit. Preference will be given to students who reside in the general Baltimore-Annapolis area. Corasaniti Scholars will be nominated by the School of Engineering (SOE) faculty based upon academic achievement, financial need, and residence in (or other close connection to) the Baltimore-Annapolis area.

1. Eligibility:

- a. Any graduate student in the School of Engineering in good standing at the time of application and award who has a demonstrated financial need.
- b. Nominees should/will be involved in research activities with a faculty mentor.
- c. Students reside in or related to the general Baltimore-Annapolis area.

2. Nomination:

- a. Nominees should be invited by faculty from the student's home department or department of their faculty research mentor.
- b. In order to be considered for the scholarship, nominations must include:
 - i. Completed nomination form (by student and endorsed by faculty sponsor).
 - ii. Current transcript (if incoming student, transcript at preceding institution).
 - iii. One 250-word title and abstract of current/proposed research activity.
 - iv. Evidence of financial need.

3. Selection:

- a. Selection is made by the SOE Scholarship Committee.
 - b. Selection is based on the applicant's academic excellence, research & scholarly potential, financial need, and connection to the Baltimore-Annapolis area.
-

ALL APPLICATION REQUIREMENTS MUST BE FULFILLED. INCOMPLETE APPLICATIONS WILL NOT BE CONSIDERED FOR THE SELECTION PROCESS.
