

THE CATHOLIC UNIVERSITY OF AMERICA

SCHOOL OF ENGINEERING

2023-2024 Hennessey Distinguished Scholars Program

Hennessey Distinguished Scholars will be nominated by School of Engineering (SOE) faculty based upon academic achievement and research potential.

1. Eligibility:

- a. Any graduate student in the School of Engineering in good standing at the time of application and award.
- b. Nominees should/will be involved in research activities with a faculty mentor.

2. Nomination:

- a. Nominees should be invited by faculty from the student's home department or department of their faculty research mentor.
- b. In order to be considered for the scholarship, nominations must include:
 - i. Completed nomination form (by student and endorsed by faculty sponsor).
 - ii. Current transcript (if incoming student, transcript at preceding institution).
 - iii. One 250-word title and abstract of current/proposed research activity.

3. Selection:

- a. Selection is made by the SOE Scholarship Committee.
- b. Selection is based on the applicant's academic excellence and research & scholarly potential.

ALL APPLICATION REQUIREMENTS MUST BE FULFILLED. INCOMPLETE APPLICATIONS WILL NOT BE CONSIDERED FOR THE SELECTION PROCESS.
